DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art of record, Whaler No. 76 26250, discloses the features of the instant invention except for " an integral key extending at least part of the way along the inner surface between the first and second end for engaging the keyway for preventing relative rotation between the hub and the shaft when the hub is disposed on the shaft.

The prior art or record, Johnson, U.S. Patent No. 4,525,094, discloses the features of the instant invention , but lacks the teaching of " an integral stop extending at least a portion of the first end for preventing the shaft from extending beyond hub when the hub is disposed on the shaft

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
